## AN ACT TO PROVIDE FOR THE STATEWIDE CONSERVATION OF INLAND FISHERIES AND WILDLIFE.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 Section one of Chapter 131 of the General Laws, as appearing in the 1994 Official Edition, is hereby  
2 amended by adding the following first paragraph:---

3 The Massachusetts Division of Fisheries and Wildlife has exclusive authority concerning the taking,  
4 possession, and management of wildlife and inland fisheries in the Commonwealth. No political  
5 subdivision may adopt a restriction expressly affecting the taking of wildlife or inland fish species which  
6 are under the jurisdiction of the Massachusetts Division of Fisheries and Wildlife, as defined in Chapter  
7 21, the third paragraph of section two of Chapter 21A, Chapter 131, Chapter 131A, and other General  
8 Laws or any rules and regulations issued under authority thereof, except that: any proposed ordinance,  
9 bylaw, or regulation of any state agency or political subdivision which affects the wildlife and fisheries  
10 activities and regulations of the Massachusetts Division of Fisheries and Wildlife by restricting or zoning  
11 any type of fishing or wildlife taking or management shall be submitted to the Fisheries and Wildlife  
12 Board for consultation and approval or disapproval. Upon such approval by the Board such proposal, or  
13 such proposal as it may be amended by mutual agreement, shall become part of and enforced as part of  
14 the Division of Fisheries and Wildlife regulations. If disapproved, the entity so denied approval may  
15 within 30 days appeal to the Fisheries and Wildlife Board, who shall, after hearing all the facts, render  
16 their final determination no later than 60 days from the date such appeal is heard. Nothing in this section  
17 shall serve to limit the authority of state agencies and political subdivisions to control any form of wildlife  
18 taking on lands they own or lease as defined in section 59 of this chapter.
