Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1.

2 Section 9 of Chapter 11c of the Massachusetts General Laws is hereby amended by inserting at the end of
3 the section the following:-

4 “(c) Emergency Medical Technicians who wish to become certified as an Emergency Medical Technician in
5 Massachusetts may apply to the department for certification by reciprocity at the same level, without
6 examination. Such application shall be in writing, be accompanied by the certification fee, and contain the
7 following information:

8 1) Proof of current licensure/certification as an Emergency Medical Technician by

9 a.) the state in which he/she currently functions and written verification from that state; or

10 b.) current registration with the National Registry of Emergency Medical Technicians and written verification
11 thereof.

12 2) Proof of successful completion of an EMT-Paramedic training course that met the minimum U.S. Department of
13 Transportation’s EMT Paramedic National Standard Curriculum.

14 3) Current Basic Cardiac Life Support successful course completion credentials from the American Heart
15 Association Health Care Provider or American Red Cross Professional Rescuer in Cardiopulmonary Resuscitation.

16 4) Current Advanced Cardiac Life Support successful course completion credentials from the American Heart
17 Association is required for reciprocity at the EMT-Paramedic level.

18 Individuals who meet the requirements for certification by reciprocity will be certified consistent with the
19 expiration date of their current certification but not to exceed a period of two years. Following certification by
20 reciprocity, the individual must comply with the requirements of the department for recertification.”
