21 that may be obtained against said school or college or the owners or managers thereof on account  
22 of fraud, misrepresentation or deceit practiced by themselves, their agents, servants or  
23 employees. The board may from time to time examine into the qualifications of instructors,

24 appointments, course of study and hours of study in any such school or college, and may suspend  
25 or revoke the certificate of registration of the person operating or conducting such school or  
26 college or of any registered barber acting as instructor or teacher therein, or the permit of any  
27 such school or college, for the violation of any of said sections or of any rule or regulation made  
28 under authority thereof. The course of study in any such school or college shall be on a semester
