AN ACT RELATIVE TO STUDYING TIDAL TURBINES.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1.

2

3 Chapter 29: Section 2JJJ Oceanographic Research and Tidal Power Development Fund.

4 Section 2JJJ. There shall be established and set up on the books of the  
5 commonwealth a separate fund to be known as the Oceanographic Research and Tidal Power Development Fund,  
6 the funds of which shall be expended by the division of coastal zone management within the executive office of  
7 environmental affairs for the purpose of fostering oceanographic research in the commonwealth, including, but not  
8 limited to research of the feasibility of utilizing tidal power turbines or other devices and facilities to generate  
9 electrical power from wave action or other ocean-related energy along the Massachusetts coastline, to foster energy  
10 independence within the commonwealth. Said division shall establish a grant program to expend said funds and  
11 shall give priority to companies, public institutions of higher education and non-profit corporations located within  
12 the Commonwealth.

13 The Oceanographic Research and Tidal Power Development Fund shall receive monies from: (1) gifts, grants  
14 and donations from public or private sources; (2) federal reimbursements and grants-in-aid; (3) any interest earned  
15 from the fund; and (4) the proceeds of special obligation bond sales by the commonwealth, denoted as the  
16 Oceanographic Research and Tidal Power Development Loan Act of 2009. The state treasurer shall receive, deposit  
17 and invest funds held in such a manner as to ensure the highest interest rate available consistent with the safety of  
18 the fund. The books and records of the fund shall be subject to an annual audit by the state auditor. The division of  
19 coastal zone management

20 may expend such funds, in addition to appropriation, and no expenditure from the fund shall cause it to be in  
21 deficiency at the close of a fiscal year. The director of coastal zone management shall report annually to the house  
22 and senate committees on ways and means and the joint committee on natural resources and agriculture on income  
23 received into the fund and the sources of that income, any expenditures from the fund and their purposes and fund  
24 balances.

25  
26 SECTION 2.

27

To meet a portion of the expenditures necessary in carrying out the provisions of section 2JJJ of chapter  
29 of the General Laws, the state treasurer shall, upon request of the governor, issue and sell bonds of the  
30 commonwealth in an amount to be specified by the governor from time to time, but not exceeding in the  
31 aggregate the sum of \$1,000,000 to be in addition to those bonds previously authorized and which authorizations  
32 remain uncommitted or unobligated on the effective date of this act. All bonds issued by the commonwealth as  
33 aforesaid shall be designated on their face, Commonwealth of Massachusetts and the Executive Office of  
34 Environmental Affairs Oceanographic Research and Tidal Power Development Loan Act of 2009, and shall be issued  
35 for a maximum term of years, not exceeding 20 years, as the governor may recommend to the general court  
36 pursuant to Section 3 of Article LXII of the Amendments to the Constitution of the Commonwealth; provided,  
37 however, that all such bonds shall be payable not later than June 30, 2029. All interest and payments on account of  
38 principal of such obligations shall be payable from the General Fund. Bonds and interest thereon issued under the  
39 authority of this section shall be general obligations of the commonwealth.
