The Commonwealth of Massachusetts

—————
In the Year Two Thousand and Nine
—————

AN ACT TO REINSTATE THE CLEAN ENVIRONMENT FUND.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Chapter 94 of the General Laws, as appearing in the 2004 Official Edition, is hereby amended
2 by inserting the following new section:

3

4 Section 323G.

5

6 (a) There shall be established on the books of the Commonwealth a separate fund to be known as the Clean
7 Environment Fund. All unredeemed bottle bill deposits collected pursuant to Chapter 94, sec. 323D shall
8 be deposited into the Clean Environment Fund. Amounts deposited in said fund shall be used solely for
9 programs and projects in the management of solid waste and for environmental protection.
10

11 (b) Not less than sixty percent of amounts deposited in the Fund annually shall be used for creation and
12 support of waste reduction, recycling and composting programs, outreach, infrastructure and market
13 development in the public, private and institutional sectors, as set forth in the department of
14 environmental protection's Solid Waste Management Plan: 2006 Revision
15

16 (c) Not less than one percent of amounts deposited annually in the Fund shall be used by the Office of the
17 State Auditor for the oversight of the bottle deposit law and Fund expenditures. Oversight activities shall
18 include, but not limited to, the performance of onsite reviews to investigate fraudulent activities and
19 illegal redemptions, the review of reports submitted by bottlers and distributors in accordance with
20 Section 323B of Chapter 94 of the General Laws and the review of all expenditures from the Fund to
21 determine whether said monies are being used for their intended purpose.

22

23 (d) Remaining amounts deposited annually in the Fund shall be appropriated for capital improvements under
24 the control of Department of Conservation and Recreation, Division of Parks for construction that meets
25 LEEDS building standards established by the U.S. Green Building Council
26

27 SECTION 2. Qualifying programs funded under Chapter 94, Section 323G (b) shall include but are not limited to:

28

29 (a) municipal recycling and waste reduction program improvements, including unit-based pricing, single
30 stream collection, composting, and public space recycling
31

32 (b) municipal recycling equipment
33

34 (c) school recycling and composting program establishment and improvements
35

36 (d) commercial and institutional recycling and composting program establishment and improvements
37

38 (e) recycling service provider grants, low interest equipment loans and tax incentives
39

40 (f) recycling and waste reduction outreach and education – schools and the general public
41

42 (g) market development for recovered materials
43

44 (h) enforcement of Waste Bans (9310 CMR 19.017) by the Department of Environment Protection
45

46 (i) other activities as recommended by the department
47

48 SECTION 3. Section 323D of Chapter 94 is amended by inserting in place of the words “twenty three F” in line 8,
49 the following words, twenty-three G.

50

51 SECTION 4. Section 3 of Chapter 21 of the General Laws as appearing in the 2004 Official Edition, is hereby
52 amended by:- inserting after the last sentence the following new sentence:- With funding from Chapter 94 Section
53 323G (d) the commissioner shall establish a program to increase recycling opportunities for all property under his
54 control. The commissioner shall file a report on all programs supported by this Fund annually with the joint
55 committee on environment, natural resources and agriculture, on or before December 31st of each year. The
56 report shall contain, but not be limited to, activities promoting recycling on property under the control of the
57 division of urban parks and recreation and the division of state parks and recreation.

58

59 SECTION 5. Chapter 21H of the General Laws, as appearing in the 2004 Official Edition, is hereby amended by
60 inserting after Section 7, the following new section:- Section 7A. The department with funding from Chapter 94,
61 Section 323G (b), shall establish a program to increase recycling opportunities at all publicly owned facilities and
62 shall work with all appropriate state and local agencies and other entities to establish such a program.

63

64 SECTION 6. Section 33 of Chapter 92 of the General Laws as appearing in the 2004 Official Edition is hereby
65 amended by inserting after the first paragraph the following new paragraph:- With funding from Chapter 94
66 Section 323G 9 (d), the commissioner of the division shall (a) require the development and incorporation of
67 recycling opportunities into all reservation designs or redesigns and (b) establish a program to increase recycling
68 opportunities in all of the reservations under his control.

69

70

71 SECTION 7. After a period of five years from the implementation of this law, the funding level need shall be
72 evaluated by the department in consultation with the solid waste advisory committee, the joint committee on
73 environment, natural resources and agriculture and the Tellus Institute, and adjusted according to need.
