The Commonwealth of Massachusetts

In the Year Two Thousand and Nine

AN ACT TO LIMIT RETROACTIVE DENIALS OF HEALTH INSURANCE CLAIMS.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Section 38 of chapter 118E, as appearing in the 2006 Official Edition of the
2 General Laws, is hereby amended by adding the following new paragraph:—

3 In this paragraph, "retroactive denial of a previously paid claim" means any attempt by the
4 Division to retroactively collect payments already made to a health care provider with respect to
5 a claim by requiring repayment of such payments, reducing other payments currently owed to the
6 provider, withholding or setting off against future payments, or reducing or affecting the future
7 claim payments to the provider in any other manner. The Division shall not impose on any health
8 care provider any retroactive denial of a previously paid claim or any part thereof unless:

9 (a) The Division has provided the reason for the retroactive denial in writing to the health
10 care provider; and

11 (b) The time which has elapsed since the date of payment of the challenged claim does not

12 exceed 12 months. The retroactive denial of a previously paid claim may be permitted beyond 12
13 months from the date of payment only for the following reasons:

14 (1) The claim was submitted fraudulently;

15 (2) The claim payment was incorrect because the provider or the insured was already paid
16 for the health care services identified in the claim;

17 (3) The health care services identified in the claim were not delivered by the
18 physician/provider;

19 (4) The claim payment is the subject of adjustment with another insurer, administrator, or
20 payor; or

21 (5) The claim payment is the subject of legal action.

22 The Division shall notify a health care provider at least 15 days in advance of the imposition of
23 any retroactive denials of previously paid claims. The health care provider shall have 6 months
24 from the date of notification under this paragraph to determine whether the insured has other
25 appropriate insurance, which was in effect on the date of service. Notwithstanding the
26 contractual terms between the Division and provider, the Division shall allow for the submission
27 of a claim that was previously denied by another insurer due to the insured's transfer or
28 termination of coverage.

29 SECTION 2. Subsection 4(c) of section 108 of chapter 175, as appearing in the 2006 Official
30 Edition of the General Laws, is hereby amended by adding at the end thereof the following new
31 subsection:—

32 4(d) In this section "retroactive denial of a previously paid claim" means any attempt by an
33 insurer to retroactively collect payments already made to a health care provider with respect to a

34 claim by requiring repayment of such payments, reducing other payments currently owed to the
35 provider, withholding or setting off against future payments, or reducing or affecting the future
36 claim payments to the provider in any other manner.

37 No insurer shall impose on any health care provider any retroactive denial of a previously paid
38 claim or any part thereof unless:

39 (a) The insurer has provided the reason for the retroactive denial in writing to the health care
40 provider; and

41 (b) The time which has elapsed since the date of payment of the challenged claim does not
42 exceed 12 months. The retroactive denial of a previously paid claim may be permitted beyond 12
43 months from the date of payment only for the following reasons:

44 (1) The claim was submitted fraudulently;

45 (2) The claim payment was incorrect because the provider or the insured was already paid
46 for the health care services identified in the claim;

47 (3) The health care services identified in the claim were not delivered by the
48 physician/provider;

49 (4) The claim payment was for services covered by Title XVIII, Title XIX, or Title XXI of
50 the Social Security Act;

51 (5) The claim payment is the subject of adjustment with another insurer, administrator, or
52 payor; or

53 (6) The claim payment is the subject of legal action.

54 An insurer shall notify a health care provider at least 15 days in advance of the imposition of any
55 retroactive denials of previously paid claims. The health care provider shall have 6 months from
56 the date of notification under this paragraph to determine whether the insured has other

57 appropriate insurance, which was in effect on the date of service. Notwithstanding the
58 contractual terms between the insurer and provider, the insurer shall allow for the submission of
59 a claim that was previously denied by another insurer due to the insured's transfer or termination
