## AN ACT RELATIVE TO SPECIAL EDUCATION.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1       Section 5A of Chapter 71B of the General Laws is hereby amended by adding at the end thereof  
2       the following paragraph:

3

4       Notwithstanding any general or special law to the contrary the department of children and  
5       family services shall not make special education placement decisions and shall adhere to the current  
6       individualized education plan until it is altered by the team process pursuant to applicable law.

7       Furthermore, the department of elementary and secondary education shall consider a special education  
8       day school operated by an educational collaborative or other public entity as a different program type  
9       than one operated by a private entity. A school district shall only be responsible for their portion of the  
10      costs associated with a private residential placement pursuant to a valid individualized education plan.
