*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           **SECTION 1.** Chapter 21E, Section 2 of the General Laws, as appearing in the most recent edition,

6 attainment of a level of control of each identified substance of concern at a disposal site or in the  
7 surrounding environment such that no substance of concern will present a significant risk of damage to  
8 health, safety, public welfare, or the environment during any foreseeable period of time. The term shall  
9 apply to a disposal site with an active remedial system whose purpose is to mitigate vapor intrusion.
