[SIMILAR MATTER FILED IN PREVIOUS SESSION
SEE HOUSE, NO. 2240 OF .]

The Commonwealth of Massachusetts

In the Year Two Thousand and Nine

AN ACT PROVIDING FOR THE ESTABLISHMENT AND OPERATION OF A CANCER DRUG REPOSITORY PROGRAM..

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority
of the same, as follows:*

1 SECTION 1. Chapter 111 of the General Laws, as appearing in the 2004 Official Edition, is hereby
2 amended by adding the following section: Section 25J. Cancer drug repository program.

3

4 Section 1. Definitions. The following words as used in this chapter, unless a different meaning is
5 required by the context or is specifically prescribed, shall have the following meanings:

6

7 “Board”, the Board of Registration in Pharmacy.

8

9 “Cancer drug”, a prescription drug that is used to treat any of the following:

- 10 (1) Cancer or the side effects of cancer.
11 (2) The side effects of a prescription drug used to treat cancer or its side effects.
12

13 “Commissioner”, the Commissioner of the Department of Public Health.

14 “Department”, the Department of Public Health.

15

16 “Dispense”, has the meaning given to that term in Section 1 of Chapter 94 C of the General Laws.

17

18 “Medical facility” means any of the following:

19 (1) An entity licensed by the Commonwealth to provide clinically related health
20 services, including any hospital or clinic, nursing home or long-term care

21 nursing facility, or hospice, as defined in Section 71 of Chapter 111 of the

22 General Laws.

23 (2) A cancer treatment center where radiation therapy and chemotherapy are
24 administered on an ambulatory basis.

25 (3) An office where a physician licensed to practice medicine in the Commonwealth
26 conducts the practice of medicine.

27

28 “Pharmacy”, any pharmacy licensed by the Commonwealth for transacting retail drug business in
29 accordance with Section 38 of Chapter 112 of the General Laws.

30

31 “Program”, the Cancer Drug Repository Program established in Section 2.

32

33 “Supplies”, any supplies used in the administration of a cancer drug.

34

35 Section 2. Establishment. The Department and the Board of Registration in Pharmacy shall establish a
36 cancer drug repository program for the purpose of authorizing and facilitating the donation of cancer
37 drugs or supplies and their dispensation to residents of the Commonwealth who meet the eligibility
38 standards established in the administrative regulations promulgated by the Department and the Board
39 pursuant to Section 5 of this Act. Under the program, donations may be made on the premises of a
40 medical facility or pharmacy that elects to participate in the program and meets the requirements
41 specified in Section 3 of this Act as well as those promulgated by the Department in regulations.

42

43 Section 3. Requirements for participation by pharmacies and medical facilities. (a) Participation in the
44 program shall be voluntary.

45

46 (b) To be eligible for participation in the cancer drug repository program, a pharmacy of medical facility
47 must be licensed and in compliance with all applicable federal and state laws and administrative rules
48 and regulations.

49

50 (c) A pharmacy or medical facility may fully participate in the cancer drug repository program by
51 accepting, storing, and dispensing donated drugs and supplies, or may limit its participation to only
52 accepting and storing donated drugs and supplies. If a pharmacy or medical facility chooses to limit its
53 participation, the pharmacy or facility shall distribute any donated drugs to a fully participating cancer
54 drug repository in accordance with Section 3.

55

56 (d) A pharmacy or medical facility may withdraw from participation in the cancer drug repository
57 program at any time upon notification in writing to the commissioner.

58

59 Section 3. Donation of cancer drugs. Any person or entity, including but not limited to, a cancer drug
60 manufacturer, or medical facility, may donate cancer drugs or supplies to the program or to a
61 participating pharmacy or medical facility. Cancer drugs or supplies may not be donated to a specific
62 cancer patient, and donated drugs or supplies may not be resold by the program or a participating
63 pharmacy or medical facility.

64

65 Section 4. Acceptance and dispensation of cancer drugs. A cancer drug or supplies needed to
66 administer a cancer drug may be accepted and dispensed under the program if all of the following
67 requirements are met:

68

69 (a) The cancer drug or supplies to administer a cancer drug is in its original, unopened, sealed and
70 tamper-evident unit-dose packaging or, if packaged in single-unit doses, the single-unit-dose packaging
71 is unopened.

72

73 (b) The cancer drug bears an expiration date that is later than 6 months after the date that the drug was
74 donated.

75

76 (c) The cancer drug or supplies needed to administer a cancer drug are not adulterated or misbranded,
77 as determined by a pharmacist who must inspect the drug or supplies before it can be dispensed.

78

79 The drugs accepted under the program may be distributed to another participating physician's office,
80 pharmacy, hospital or health clinic for dispensing.

81

82 Nothing in this section shall be construed as prohibiting a pharmacy or medical facility from accepting
83 drugs that are not eligible to be dispensed under the drug repository program for the proper disposal of
84 those drugs.

85

86 Section 5. Storage, distribution and fees. (a) A pharmacy or medical facility that accepts donated cancer
87 drugs under the program shall comply with all applicable provisions of Federal and State law relating to
88 the storage, distribution and dispensing of cancer drugs.

89

90 (b) The cancer drugs dispensed through the program shall only be dispensed pursuant to a prescription
91 issued by a prescribing practitioner.

92

93 (c) A pharmacy or medical facility may charge a handling fee for distributing or dispensing cancer drugs
94 under the program. The fee shall be established in regulations promulgated by the Board.

95

96 Section 6. Immunity. (a) Unless a pharmaceutical manufacturer exercises bad faith, the manufacturer is
97 not subject to criminal or civil liability for injury, death, or loss to a person or property for matters
98 related to the donation, acceptance, or dispensing of a cancer drug or supply manufactured by the
99 manufacturer that is donated by any person under this Act, including liability for failure to transfer or
100 communicate product or consumer information or the expiration date of the donated cancer drug or
101 supply.

102

103 (b) Except as provided in Section 6(c), a pharmacy or medical facility participating in the program, a
104 pharmacist dispensing a drug or supply pursuant to the program, a practitioner administering a drug or
105 supply pursuant to the program, or the donor of a cancer drug or supply is immune from civil liability for
106 an act or omission that causes injury to or the death of an individual to whom the cancer drug is
107 dispensed and no disciplinary action shall be taken against a pharmacist or practitioner so long as the
108 drug or supply is donated, accepted, distributed, and dispensed in accordance with the requirements of
109 this section.

110

111 (c) The immunity or the prohibition of a finding of guilty of unprofessional conduct under Section 6(b)
112 does not extend to the donation, acceptance, distribution, or dispensation of a cancer drug or supply by
113 a person whose act or omission involved reckless, wanton, or intentional misconduct, or malpractice
114 unrelated to the quality of the cancer drug or supply.

115

116

117 SECTION 7. In consultation with the Department, the Board shall establish rules and regulations
118 governing the drug repository program that establish all of the following:

- 119 (a) Eligibility criteria for pharmacies and medical facilities to receive and dispense donated drugs
120 under the program.
- 121 (b) Standards and procedures for accepting, safely storing, and dispensing donated cancer drugs or
122 supplies needed to administer cancer drugs.
- 123 (c) Standards and procedures for inspecting donated cancer drugs or supplies needed to administer
124 cancer drugs to determine whether the drugs or supplies are in their original, unopened sealed
125 and tamper-evident unit-dose packaging or, if packaged in single-unit doses, the single-unit-
126 dose packaging is unopened.
- 127 (d) Standards and procedures for inspecting donated cancer drugs or supplies needed to administer
128 cancer drugs to determine that the drugs or supplies are not adulterated or misbranded and are
129 safe and suitable for dispensing;
- 130 (e) Eligibility criteria for individuals to receive donated cancer drugs or supplies needed to
131 administer cancer drugs. The standards shall include a method to determine priority of eligible
132 patients under the program.
- 133 (f) A means, such as an identification card, by which an individual who is eligible to receive donated
134 cancer drugs or supplies needed to administer cancer drugs may demonstrate eligibility to the
135 pharmacy, hospital, or nonprofit clinic dispensing the drugs;
- 136 (g) A form that an individual receiving a drug from the repository must sign before receiving the
137 drug to confirm that the individual understands the immunity provisions of the program;
- 138 (h) A formula to determine the handling fee that pharmacies, hospitals, and nonprofit clinics may
139 charge to drug recipients to cover restocking and dispensing costs;
- 140 (i) A list of cancer drugs and supplies to administer cancer drugs, arranged either by category or by
141 individual drug or supply, that the repository will accept for dispensing.
- 142 (j) A list of cancer drugs and supplies to administer cancer drugs, arranged either by category or by
143 individual drug or supply, that the repository will not accept for dispensing. The list must include
144 a statement that specifies the reason that the drug or supplies are ineligible for donation.
- 145 (k) Any other standards and procedures the Board considers appropriate.
- 146
