8 b) notwithstanding the requirements of General Laws Chapter 40, Section 3, and General Laws
9 Chapter 30B, to create a mechanism for the town to sell taxi licenses that expedites the process

50 SECTION 7. Chapter 317 of the acts of 1974 is hereby amended by inserting after Paragraph 4 the
51 following Paragraph 4A: -

52

53 Notwithstanding the provisions of General Laws Chapter 40, Section 3, General Laws Chapter 30B, or
54 any other general or special law to the contrary, the board of selectman shall have the exclusive
55 authority to sell taxi licenses by public auction, public sale, sealed bid or other competitive process
56 established by regulations promulgated by the board after public hearing. The board of selectmen may
57 entrust to the board broad discretion to take such actions as are necessary to implement this section
58 and to sell taxi licenses, including, but not limited to, determining the number of licenses that shall be
59 sold, the timing of any such sale(s), and any conditions and limitations pertaining to such sale(s)
60 (including the power to revoke, suspend, renew and assign such licenses), except that the board of
61 selectman shall approve sales prices and execute sales contracts. Proceeds from any such sale(s) of
62 licenses shall be paid to the collector-treasurer of the town of Brookline for deposit into the general
63 fund to be appropriated pursuant to the provisions of General Laws Chapter 40, Section 5.
64 Notwithstanding the provisions of General Laws Chapter 30B, the board of selectmen may direct the
65 board that in taking any action the board deems necessary to implement this section and to sell taxi
66 licenses (including the adoption, alteration or repeal of rules and regulations after public hearing), the
67 board may balance, in its discretion, the interest of Brookline residents in the continuity of existing
68 Brookline taxi businesses, the interest of existing license holders in their investment in their businesses,
69 the interest of the town in augmenting the portion of the taxi fleet serving the town that meets the
70 needs of its elderly and disabled residents and that minimizes the fleet's detrimental impact on the
71 town's air quality and on the level of the town's carbon emissions as a whole, and the town's interest in
72 maximizing revenue generated from sales of taxi licenses. The board of selectmen may consider these
73 factors in determining whether to agree to a taxi license sales price. Any appeal from the board of
74 selectmen's sale of a taxi license shall be to a court of competent jurisdiction.

75

76 The provisions of this section shall not apply to a license issued and outstanding on the effective date of
77 this Act.

78

79 Any rules and regulations adopted, altered, or repealed by the board after public hearing in connection
80 with implementing this section, including any rules or regulations adopted, altered, or repealed for the
81 purpose of creating a property interest in the licenses and of undertaking the sales of taxi licenses, shall
82 not take effect until 30 days have expired after publication of such rules and regulations in a newspaper
83 published or distributed in the town and on the town's website. Any appeal from the board's adoption,
84 alteration, or repeal by the board in connection with implementing this section shall be to a court of
85 competent jurisdiction.

86

87 SECTION 8. This act shall take effect upon its passage.
