7 (a) Legislative Findings

8

9 The General Court finds that:

10

- 11 (1) Community-based non-profit organizations provide valuable services to neighborhoods throughout the
12 Commonwealth.
- 13 (2) Building a strong, vibrant non-profit sector is a vital priority for the citizens of the Commonwealth.
- 14 (3) Smaller, community-based non-profit organizations are in great need of funds that will support technical
15 assistance, staff and board training, enhanced technological capabilities, and other means of improving
16 performance.
- 17 (4) The state of the economy has a significant impact on non-profit organizations, especially smaller
18 organizations whose funding is heavily dependent on individual contributions.

- 19 (5) Economic downturns have a disproportionately negative effect on smaller, community-based non-profit
20 organizations.
- 21 (6) Private foundation funding has proven insufficient to address the funding needs and exigencies of
22 community-based non-profit organizations within the Commonwealth.
- 23 (7) The Commonwealth has a direct interest in promoting a robust non-profit sector at the community level,
24 especially for the purpose of serving otherwise unmet community needs.
- 25
- 26 (b) Commonwealth Community Fund
- 27
- 28 (1) Establishing the Commonwealth Community Fund
- 29
- 30 (i) There shall be a Commonwealth Community Fund (“CCF”), which will assist community-based non-profit
31 organizations by:

33 below; and,
- 34 (B) Providing technical assistance as specified in Section 3(d) below.
35
- 36 (ii) The CCF shall be established as a quasi-governmental agency within the Office of the Secretary of State.
37
- 38 (iii) The CCF shall be subject to audit and inspection by the Office of the Treasurer.
39
- 40 (2) Board of Trustees and Staffing
- 41
- 42 (i) There shall be a 16-person Board of Trustees that, consistent with the specifications of this Act, will be
43 responsible for major policy decisions of the CCF, including but not limited to:
- 44 (A) Promulgating by-laws;
- 45 (B) Adopting annual budgets;
- 46 (C) Filing an Annual Report with the Secretary of State;
- 47 (D) Establishing eligibility guidelines, reporting requirements, and evaluation standards for grant recipients;
- 48 (E) Evaluating grant applications and making grant awards; and,
- 49 (F) Hiring and evaluating staff to administer the CCF.
50
- 51 (ii) Selection of Trustees
- 52 (A) The first Board of Trustees to be seated will be appointed by the Governor, Secretary of State, President
53 of the Senate, and Speaker of the House. Each of these elected officials will appoint 2 people to 1-year
54 terms and 2 people to 2-year terms.
- 55 (B) In each subsequent year, the Board will replace half (8) of its trustees. To do so, each year the remaining
56 and departing trustees will elect 4 new members to serve 2-year terms, and the Governor, Secretary of
57 State, President of the Senate, and Speaker of the House each will select 1 new trustee to serve a 2-year
58 term.
- 59 (C) Primary criteria for selection of trustees shall include: Leadership, managerial, and programmatic
60 experience, both paid and volunteer, in community-based non-profit organizations; leadership,

61 managerial, and programmatic experience, both paid and volunteer, in foundations that support
62 community-based non-profit organizations; experience in receiving services from community-based non-
63 profit organizations; and geographic diversity.

64 (D) No person may serve more than 2 consecutive terms as a trustee.
65

66 (iii) Each year the Board shall elect a chairperson, vice-chairperson, and secretary.
67

68 (iv) Trustees will serve on an uncompensated basis but will be reimbursed for travel and incidental expenses
69 incurred in performing their duties as board members.
70

71 (v) The Board shall be responsible for hiring staff responsible for the day-to-day operations of the CCF, who
72 will serve at the pleasure of the Board.
73

74 (vi) The Secretary of State shall promulgate policies regarding conflicts of interest and disclosure for CCF
75 trustees and staff.
76

77 (3) Grantmaking Activities
78

79 There shall be two categories of grants:

80

81 (i) Organizational Development Grants

82 (A) Organizational Development Grants are intended to provide funding for technical assistance, staff and
83 board training, and improving infrastructural and technological capacities.

84 (B) The Board shall give primary weight to the following factors in evaluating applications for Organizational
85 Development Grants: Demonstrated ability to serve the needs of local communities; soundness of the
86 request for funding and the probability that a grant will materially advance the work of the organization;
87 and geographic diversity.
88

89 (ii) Emergency Operating Grants

90 (A) Emergency Operating Grants are intended to provide funding to meet immediate payroll and operational
91 expenses for organizations that are facing severe financial exigencies.

92 (B) The Board shall give primary weight to the following factors in evaluating applications for Emergency
93 Operating Grants: Demonstrated financial exigency; demonstrated ability to serve the needs of local
94 communities through delivery of human services and/or neighborhood advocacy and empowerment;
95 organizations that provide a unique contribution to serving community needs; soundness of plans for
96 obtaining future funding after the provision of an Emergency Operating Grant; and geographic diversity.
97

98 (iii) An eligible organization may submit a single grant application requesting funding from both categories of
99 grants, subject to the restrictions in Section 2(4) below.

100

- 101 (iv) Eligibility. In order to be considered for a grant from the CCF, an organization must:

133

- 134 (7) Unused funds at the conclusion of a fiscal year shall be carried over to the following fiscal year or
135 reinvested in the endowment, at the discretion of the Board of Trustees.
