[SIMILAR MATTER FILED IN PREVIOUS SESSION

The Commonwealth of Massachusetts

In the Year Two Thousand and Nine

AN ACT STRENGTHENING OVERSIGHT OF THE DELIVERY OF SPECIAL EDUCATION SERVICES.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. The Department of Education shall withhold funds for special education from cities,
2 towns, school districts, or private schools or agencies that do not comply with regulations or statutes
3 related to special education or do not carry out plans for such compliance within a reasonable period of
4 time.

5 The Department shall investigate and resolve concerns raised through the Problem Resolution
6 System of the Department and an In District Program. The approval activities and oversight of the
7 Department for the approved programs does not relieve school districts of their responsibility to
8 monitor the programs of individual students enrolled in the approved programs by the school districts.
9 The approval activities and oversight of the Department for the approved programs does not make the
10 Department a guarantor or insurer for services or programs provided to individual students

11 School districts shall develop local problem resolution procedures that allow parents to present
12 a concern to a district representative and receive a response related to the concern. Local procedures
13 shall not be used to delay or deny a parent's right to access other dispute resolution mechanisms

14 The Department shall promulgate regulations to implement this section.

15

16 SECTION 2. The Department of Education shall establish a commission to oversee and enforce the
17 special education dispute resolution. The commission shall study and analyze the delivery of special
18 education assistance, student progress, and parental involvement.

19 The Department of Education shall provide research, materials, and information it has
20 developed on special education issues and such other assistance as may be necessary and practical.

21 Chapter 71 B of the Massachusetts General Laws is hereby amended by inserting the section 13.
