2 the provisions of sections 40E through 40J, inclusive, of chapter 7 of the General laws,
3 may, in consultation with the department of environmental management, execute and
4 deliver on behalf of the commonwealth, subject to such terms and conditions as may be
5 determined by the division in consultation with the department, one or more instruments
6 to lease certain land together with the buildings thereon, now part of a state forest under
7 the care and control of the department and consisting of approximately 20 acres on the

21 for use as a meeting place for the committee, for the development of interest in
22 agriculture by young people, and to run a summer day camp program, as determined by
23 one or more professional appraisals commissioned by said division; provided however,
24 that the lease price may be reduced or waived by the division, in consultation with the

26 significantly interferes with the operations of the Worcester County 4H Center
27 Committee at the property described above as demonstrated in an annual financial
28 statement to be submitted by the Worcester County 4H Center Committee to the division
29 and the department. The amount of any reduction in the lease payment shall in no case

46 commonwealth relating to the lease or leases authorized by section 1 of his act, and for
47 any costs, liabilities, or expenses of any kind for the development, improvement,
48 maintenance, or operation of said parcel as may be determined by the division in
49 consultation with the department.

50 SECTION 3. The Worcester County 4H Center Committee shall carry such

53 property damage occurring on the leased land, within the buildings, or within any other
54 structures built or used by the committee on the land during the term of any lease or
55 leases authorized by this act.

56 SECTION 4. Upon failure of the Worcester County 4H Center Committee, for a period
57 of two years, to make use of the land and buildings for the purposes described herein, the
