14

15 SECTION 4. Section 15 of Chapter 17 of the General Laws is hereby amended by striking it in
16 its entirety and replacing it with the following section:-

17

18 “Section 15. Advisory Council on Organ Transplants and Donations

19

20 There shall be an advisory council on organ transplants and donations consisting of the
21 commissioner of public health, the president of the Massachusetts Medical Society, the Registrar
22 of Motor Vehicles, the director of the division of organ transplants, a representative of a
23 federally-designated organ procurement organization serving Massachusetts, and ten persons
24 experienced in the field of organ donations or transplants to be appointed by the governor, at
25 least one of whom shall be a recipient of a donated organ, at least one of whom shall be a donor
26 or a family member of a donor of a donated organ, at least one of whom shall be a recipient of a
27 donated organ who at the time of receipt was below the age of eighteen, at least one of whom
28 shall be a donor or a family member of a donor of a donated organ who at the time of donation
29 was below the age of eighteen, and at least one of whom shall be a surgeon experienced in organ
30 transplantation. Upon the expiration of the term of any appointive member, a successor shall be
31 appointed in like manner for a term of three years. The term of all appointive members shall be
32 three years and no such member shall be appointed to serve more than two consecutive terms.

33 The governor shall annually designate the chairman of the council from among its members. The
34 council shall meet at least four times each year, and shall convene special meetings at the call of
35 the chairman, a majority of the members of the council, the commissioner of public health, or the
36 director of the division of organ transplants. The director of the division of organ transplants
37 shall serve as the executive secretary of the council and shall attend all meetings. The council
38 shall make an annual report to the governor, which shall include an account of all actions taken

39 to further pediatric organ donation, and shall file a copy of said report with the state secretary,
40 the clerk of the senate and the clerk of the house of representatives. Members of the council shall
41 serve without compensation but shall be reimbursed for their expenses actually and necessarily
42 incurred in the discharge of their duties.

43 Said advisory council shall (a) assist the commissioner of public health and the director of the
44 division of organ transplants in coordinating the efforts of all public and private agencies within
45 the commonwealth concerned with the donation and transplantation of human organs, (b) advise
46 the said commissioner and said director on policy and priorities of need in the commonwealth for
47 a comprehensive program relative to organ donations and transplants, (c) review the annual
48 plans, the proposed annual budget and the programs and services of the division and make
49 recommendations to the commissioner, including approval, modification, or disapproval in
50 regard thereto; (d) assist the director of the division of organ transplants in developing strategies
51 to increase organ donation among those below the age of eighteen, also known as pediatric
52 donation, through increasing youth awareness of the need for pediatric donors and through any
53 other means which the council and director may find effective, the funding for which shall come
54 from the Organ Donor Registration Fund; (e) assist the director in developing and updating an
55 informational booklet about pediatric donation which shall be given to an organ donor upon
56 registration; provided, that the council shall seek the assistance of the federally-designated organ
57 procurement organization for Massachusetts in developing said booklet; (f) assist the director in
58 establishing a website relative to pediatric donation, which shall include, but not be limited to,
59 the information contained in the informational booklet, any other information which the council
60 and director consider beneficial in increasing public knowledge about the need for pediatric
61 donation, and a means by which the public may donate to the Organ Donor Registration Fund;

62 (g) facilitate and assist in the establishment of programs by which employers match the
63 donations of their employees to the Organ Donor Registration Fund; and (h) establish numerical
64 goals for increasing overall organ donation rates and pediatric organ donation rates in the
65 commonwealth, which shall include a baseline account of current overall and pediatric organ
66 donation rates, as well as periodic benchmarks for success”.

67 SECTION 5. Chapter 10 of the General Laws is hereby amended by inserting immediately after
68 Section 35E the following new section:-

69
70 “Section 35E 1/2. There shall be established and set up on the books of the commonwealth a
71 separate fund to be known as the Organ Donor Registration Fund, to facilitate the registration of
72 residents of the commonwealth as organ donors. Said fund shall consist of all revenues received
73 by the commonwealth: (1) under the provisions of Section 8D of Chapter 90 and Section 15 of
74 Chapter 17; and (2) from public and private sources as gifts, grants, and donations to further such
75 facilitation.

76 All revenues credited under this section shall remain in said Organ Donor Registration Fund, not
77 subject to appropriation, to facilitate the registration of residents of the commonwealth as organ
78 donors. The state treasurer shall not deposit said revenues in or transfer said revenues to the
79 General Fund or any other fund other than the Organ Donor Registration Fund.

80 The state treasurer shall deposit the fund in accordance with the provisions of sections thirty-four
81 and thirty-four A of chapter twenty-nine in such manner as will secure the highest interest rate
82 available consistent with safety of the fund and with the requirement that all amounts on deposit
83 be available for immediate withdrawal at any time. The fund shall be expended only for the

84 purposes stated above at the direction of the commissioner of public health and any unexpended
85 balances shall be redeposited, as herein provided, for future use consistent with this section.

86 SECTION 6. The Secretary of the Commonwealth shall study the feasibility of including a
87 means of registration as an organ donor on voter registration forms. Said study shall evaluate the
88 potential impact on the number of organ donors in the Commonwealth, the cost of implementing
89 such means, and the logistical requirements of transferring organ donor registration data from
90 those who register to vote at a city or town clerk's office to the Registry of Motor Vehicles,
91 either directly to the Registry, directly to the federally-designated organ procurement
92 organization for Massachusetts, or through the Secretary's office. The Secretary shall perform
93 this study in consultation with the Massachusetts Town Clerks' Association, the Massachusetts
94 City Clerks' Association, the Operational Services Division of the Executive Office of
95 Administration and Finance, the Registry of Motor Vehicles, and the federally-designated organ
96 procurement organization for Massachusetts. The Secretary shall report his findings to the clerks
97 of the House and Senate not later than six months after the passage of this act.
