12 Section 12: A common victualler duly licensed under chapter 140 to conduct a restaurant, an innholder
13 duly licensed under said chapter to conduct a hotel, a pub brewer and a keeper of a tavern as defined by
14 this chapter, in any city or town wherein the granting of licenses under this section to sell all alcoholic
15 beverages or only wines and malt beverages, as the case may be, is authorized by this chapter, subject
16 however, in the case of a tavern, to the provisions of section 11A, may be licensed by the local licensing
17 authorities, to sell to travelers, strangers and other patrons and customers not under twenty-one years of

18 age, such beverages to be served and drunk, in case of a hotel or restaurant licensee, only in the dining
19 room or dining rooms and in such other public rooms or areas of a hotel as the local licensing authorities
20 may deem reasonable and proper, and approve in writing; and provided further, that the limitations
21 relative to service and consumption in a restaurant or hotel only in the dining rooms and such other public
22 rooms or areas deemed reasonable and proper by the local licensing authority shall not be deemed to
23 preclude the restaurant or hotel from allowing a patron to retain and take off the premises only so much as
24 may remain of a bottled wine purchased by the patron in conjunction with a meal and not totally
25 consumed by the patron during such meal; provided further, that the bottle shall be resealed in accordance
26 with regulations promulgated by the commission; provided, that no tavern license shall be granted to the
27 holder of a hotel license hereunder. Such sales may also be made, by an innholder licensed hereunder, to
28 registered guests occupying private rooms in his hotel, and in the dining room or dining rooms and in
29 such other public rooms or areas of buildings on the same premises as the hotel and operated as
30 appurtenant and contiguous to and in conjunction with such hotel, and to registered guests occupying
31 private rooms in such buildings and in the case of condominium accommodations that are located
32 appurtenant and contiguous to and also upon the same premises as a hotel, sales may be made by the hotel
33 licensee as the local licensing authorities may deem reasonable and proper, and approve in writing. Such
34 sales may be made by a restaurant licensee at such stands or locations in a sports arena, stadium, ball
35 park, race track, auditorium or in any one building at an airport as the local licensing authority may deem
36 reasonable and proper, and approve in writing. Upon an application for a restaurant license, the local
37 licensing authorities may in their discretion grant such a license authorizing the sale of alcoholic
38 beverages on all days of the week or one authorizing such sale on secular days only, and the decision of
39 such authorities as to which of the two types may be granted upon any particular application shall be
40 final. During such time as the sale of such alcoholic beverages is authorized in any city or town under this
41 chapter, the authority to grant innholders' and common victuallers' licenses therein under chapter one
42 hundred and forty shall be vested in the local licensing authorities; provided, that if a person applies for
43 the renewal of both a common victualler's license or an innholder's license under said chapter one
44 hundred and forty and a hotel or a restaurant license, as the case may be, under this section and the local
45 licensing authorities refuse to grant said common victualler's or innholder's license or fail to act on the
46 applications therefor within a period of thirty days, such applicant may appeal therefrom to the
47 commission in the same manner as provided in section 67 and all the provisions of said section relative to
48 licenses authorized to be issued by local licensing authorities under this chapter shall apply in the case of
49 such common victualler's license or innholder's license.

50 If a license granted under this section to a person holding a license as an innholder or common victualler
51 is suspended or revoked for any particular cause, no action shall be taken on account thereof by such
52 authorities with respect to such innholder's or common victualler's license prior to the expiration of the
53 period provided for an appeal under section sixty-seven in case no such appeal is taken, or prior to the

54 disposition of any such appeal so taken, nor thereafter, except for further cause, in case such disposition is
55 in favor of the appellant. Any club in any city or town wherein the granting of licenses to sell alcoholic
56 beverages, or only wines and malt beverages, as the case may be, is authorized under this chapter may be
57 licensed by the local licensing authorities, , to sell such beverages to its members only, and also, subject
58 to regulations made by the local licensing authorities, to guests introduced by members, and to no others.

59 The local licensing authorities of any city or town wherein the granting of licenses under this section to
60 sell all alcoholic beverages or only wines and malt beverages, as the case may be, is authorized by this
61 chapter, may issue a license to any corporation the members of which are war veterans and which owns,
62 hires or leases in such city or town a building, or space in a building, for the use and accommodation of a
63 post of any war veterans' organization incorporated by the Congress of the United States, to sell such
64 beverages to the members of such post only, and also, subject to regulations made by the local licensing
65 authorities, to guests introduced by such members and to no others.

66 The local licensing authorities may determine in the first instance, when originally issuing and upon each
67 annual renewal of licenses under this section, the amount of the license fee, for a tavern license or for any
68 other license under this section for the sale of all alcoholic beverages, or for any other license under this
69 section for the sale of wines and malt beverages, and provided that nothing herein shall prevent such
70 authorities from establishing license fees differing in amounts within the limitations aforesaid for
71 restaurant licenses authorizing such sale on secular days only. If different license fees are so established
72 the fee for licenses authorizing the sale of alcoholic beverages on all days of the week shall not be more
73 than twenty-five per cent higher than the fee for licensing such sale on secular days only. Before issuing a
74 license to any applicant herefor under this section, or before a renewal of such license, the local licensing
75 authority shall cause an examination to be made of the premises of the applicant to determine that such
76 premises comply in all respects with the appropriate definition of section one and that the applicant is not
77 less than twenty-one years of age and a person of good character in the city or town in which he seeks a
78 license hereunder. No license shall be issued to any applicant who has been convicted of a violation of a
79 federal or state narcotic drugs law.

80 The local licensing authorities may accept the surrender of a license issued under this section and may
81 issue in place thereof to the same licensee any other form of license authorized under this section, and
82 may allow as a credit on the fee for the new license the license fee paid for the license surrendered but no
83 refund shall be authorized. Different licenses issued as aforesaid for any portion of the same license year
84 to the same licensee shall count as one license for the purposes of section seventeen.

85 The hours during which sales of such alcoholic beverages may be made by any licensee as aforesaid shall
86 be fixed by the local licensing authorities either generally or specially for each licensee; provided,
87 however, that no such sale shall be made on any secular day between the hours of two and eight o'clock

88 antemeridian and that, except as provided in section thirty-three, no such licensee shall be barred from
89 making such sales on any such day after eleven o'clock antemeridian and before eleven o'clock
90 postmeridian, and no tavern shall be kept open on any such day between one o'clock antemeridian and
91 eight o'clock antemeridian; provided, further, that any such licensee or his manager shall not be
92 prohibited from being on the licensed premises at any time; provided, further, that the employees,
93 contractors or subcontractors shall not be prohibited from being upon such premises at any time for the
94 purpose of cleaning, making renovations, making emergency repairs to or providing security for, such
95 premises or preparing food for the day's business or opening or closing the business in an orderly manner.
96 The licensing authority shall not decrease the hours during which sales of such alcohol beverages may be
97 made by a licensee until after a public hearing concerning the public need for such decrease; provided,
98 however, that a licensee affected by any such change shall be given 2 weeks notice of the public hearing;
99 provided further, that a local licensing authority, subject to the approval of the commission, may grant a
100 license notwithstanding section 17 to sell wine for consumption on the winery premises to a winegrower
101 authorized to operate a farmer-winery under section 19B, to sell malt beverages for consumption on the
102 brewery premises to a farmer-brewer authorized to operate a farmer-brewer under section 19C and to sell
103 spirits for consumption on the distillery premises to a farmer-distiller authorized to operate a farmer-
104 distillery under section 19E; and provided further, that such licensees may sell for on premises
105 consumption wines, malt beverages and spirits produced by the winery, brewery or distillery or produced
106 for the winery, brewery or distillery and sold under the winery, brewery or distillery brand name.

107 No license issued under this section shall be subject to any condition or requirement varying the
108 occupancy of the licensed premises as certified by any person or state or local agency charged with the
109 administration or enforcement of the state building code or any of its rules or regulations.

110 No person, firm, corporation, association or other combination of persons, directly or indirectly, or
111 through any agent, employee, stockholder, officer or other person, or any subsidiary whatsoever, licensed
112 under the provisions of sections eighteen or nineteen shall be granted a license under this section.

113 In cities and towns which vote to authorize under section eleven the granting of licenses for the sale of all
114 alcoholic beverages, specific licenses may nevertheless be granted under this section for the sale of wines
115 or malt beverages only, or both. The licensing authorities may refuse to grant licenses under this section
116 in certain geographical areas of their respective cities or towns, where the character of the neighborhood
117 may warrant such refusal.

118 All malt beverages sold by a licensee under this section containing not more than three and two tenths per
119 cent of alcohol by weight shall be expressly sold as such.

120 No malt beverage shall be sold on draught from a tap, faucet or other draughting device, unless there shall
121 plainly appear on or attached to such device, in legible letters, the brand or trade name of the malt
122 beverage so sold therefrom.

123 In any city or town wherein the granting of licenses under this section to sell alcoholic beverages or wines
124 and malt beverages is authorized, a person may be granted a general on-premise license by the local
125 licensing authorities authorizing him to sell alcoholic beverages without food to patrons and customers
126 subject to all other relevant provisions of this chapter, provided that such beverages shall be sold and
127 drunk in such rooms as the licensing authorities may approve in writing. The annual license fee for such
128 general on-premise license shall be determined by the local licensing authority. For the purposes of
129 section eleven an affirmative vote on subdivision A or B shall be considered an authorization for the
130 granting of general on-premise licenses in a city or town.

131 A common victualler who holds a license pursuant to this section may provide on premises sample wine
132 or malt beverage tasting; provided however, that such licensee shall not solicit orders for wine or malt for
133 off premises consumption; and provided further, that any such wine tasting shall be limited to one ounce
134 per serving and any such malt beverage tasting shall be limited to two ounces per serving and food shall
135 be served in conjunction with any such wine or malt beverage tasting.

136 In any city or town which votes to accept the provisions of this paragraph, a common victualler, who
137 holds a license under this section to sell wines and malt beverages may, upon written approval, also sell
138 liqueurs and cordials pursuant to said license, subject, however, to all other licensing provisions of this
139 chapter.

140 A common victualler who holds a license for the sale of all alcoholic beverages or holds a license for the
141 sale of wines and malt beverages and who also holds pursuant to this section written approval to sell
142 liqueurs and cordials pursuant to his license may provide on-premises sample liqueurs and cordials
143 tasting; provided however, that a licensee shall not solicit orders for liqueurs and cordials for off-premises
144 consumption; and provided, further, that any such liqueurs and cordials tasting shall be limited to 1/4 of
145 an ounce per serving and food shall be served in conjunction with any liqueurs and cordials tasting.

146 A common victualler who holds a license for the sale of all alcoholic beverages may provide on premises
147 sample alcoholic beverages tasting; provided, however, that a licensee shall not solicit orders for alcoholic
148 beverages for off-premises consumption; and provided further, that any tasting of alcoholic beverages,
149 other than wines and malt beverages, shall be limited to 1/4 of an ounce per serving and food shall be
150 served in conjunction with any alcoholic beverages tasting.
