## AN ACT TO PREVENT HOMELESSNESS AMONG RECIPIENTS OF TRANSITIONAL ASSISTANCE.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1           SECTION 1. This act may be known and cited as the No Place Like Home Initiative.

2           SECTION 2. Chapter 18 of the General Laws is hereby amended by inserting after section 2A, as  
3           appearing in the 2006 Official Edition, the following section:-

4           Section 2B. (a) The department of transitional assistance shall offer and provide screenings of  
5           applicants and recipients for services and benefits provided by the department, including but not limited  
6           to food stamps, transitional aid to families with dependent children, and emergency aid to the elderly,  
7           disabled and children, to determine whether the applicants and recipients are in a stable housing  
8           situation or are at risk of homelessness within the next 12 months. The screenings shall be offered at the  
9           time of application for assistance, at the time of a recertification or eligibility review, and before  
10          termination of assistance by the department. The screenings shall also be available on a walk-in basis at  
11          the offices of the department and the availability shall be publicized in each local department office.

12 (b) With regard to applicants or recipients of services and benefits from the department of transitional  
13 assistance whose incomes are at or below 130 per cent of the federal poverty limit and who are at risk  
14 of homelessness within the next 12 months, the department, subject to appropriation into an item to be  
15 established for these purposes, shall provide to both eligible families and individuals the types of  
16 services and benefits designed to prevent homelessness and create housing stability that are authorized  
17 by subdivision (D) of section 2 as in effect on January 1, 2009 and shall coordinate with and make  
18 referrals to other available services, benefits, and housing resources to prevent homelessness and  
19 create housing stability. With regard to applicants or recipients of services and benefits from the  
20 department of transitional assistance whose incomes are above 130 per cent of the federal poverty limit  
21 and who are at risk of homelessness within the next 12 months, the department shall coordinate with  
22 and make referrals to other available services, benefits, and housing resources to prevent homelessness  
23 and create housing stability.

24 (c) The department shall, at least as frequently as once each calendar quarter, provide to the house and  
25 senate committees on ways and means and the joint committee on children, families and persons with  
26 disabilities a written report describing the number of applicants and recipients who have participated in  
27 the screenings authorized by subsection(a), the number of individuals and families serviced and the  
28 types of services and referrals provided pursuant to section (b), and the department's assessment of the  
29 level of need for and effectiveness of the services provided pursuant to this section.

30

31 SECTION 3. Notwithstanding any general or special law to the contrary, the department of transitional  
32 assistance shall each month deposit into escrow accounts for the benefit of homeless individuals and  
33 families receiving assistance under the program of emergency aid to elders, disabled and children,  
34 pursuant to chapter 117A of the General Laws, or receiving assistance under the program of transitional

35 aid to families with dependent children, pursuant to chapter 118 of the General Laws, an amount equal  
36 to the amount by which the department reduces the grants of said individuals and families due to their  
37 lack of shelter expenses. Such escrowed funds shall be available to such individuals and families to  
38 obtain and retain permanent housing and to remove barriers to obtaining and retaining housing and  
39 shall not be countable toward otherwise applicable asset limits.
