PRESENTED BY:

To the Honorable Senate and House of Representatives of the Commonwealth of Massachusetts in General Court assembled:

The undersigned legislators and/or citizens respectfully petition for the passage of the accompanying bill:

An Act to promote manufactured housing in the commonwealth.

PETITION OF:

NAME:

Joan M. Menard

DISTRICT/ADDRESS:

First Bristol and Plymouth

The Commonwealth of Massachusetts

In the Year Two Thousand and Nine

AN ACT TO PROMOTE MANUFACTURED HOUSING IN THE COMMONWEALTH.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Notwithstanding any provision in the laws and regulations of the
2 Commonwealth to the contrary, rent control in the Commonwealth shall not be extended to any
3 communities which have not enacted such laws.

4
5 (a.) For those cities and towns that do have rent control, the provisions thereof shall be
6 amended as follows:-

7
8 (i.) From the date of enactment of this Act, rent control shall only apply to those
9 individuals who can demonstrate by credible evidence provided to that city or town that such
10 individual is not able to pay rent established by the owner/operator of the Manufactured Housing
11 Community, giving effect to that individual's entire net worth; in the event that such individual
12 demonstrates such inability to pay, then the rent then in effect shall continue at that amount for a
13 period of twelve (12) months, after which such individual must re-establish her/his/their inability
14 to pay market rents. The provision for rent stabilization for such individuals shall phase out over
15 a period of three (3) years from the date of enactment of this bill;

16
17 (ii.) Such individuals must submit their verified financial information to officials of the
18 town/city in which they live in order to qualify for such rent protection, and if they cannot so
19 qualify, then such individuals are subject to eviction for failing to pay the then going rent rates in
20 such community; provided, further that the financial test applied for such rent protection for any
21 such individual(s) shall be the same standard as applied in that particular community for
22 subsidized housing by its council of aging with that person's net worth added to the calculation
23 as provided above; and

24
25 (iii.) Rent control in the Commonwealth for Manufactured Housing shall cease and be of
26 no further force or effect on the third anniversary of the enactment of this bill.

27

28 (c.)(b.) Residents in privately owned manufactured housing communities shall be entitled
29 to seek government grants and/or low cost loans (like those individuals who reside in resident-
30 owned manufactured housing communities) to defray the cost of capital improvements that are
31 passed onto them by the owner/operator in all non-rent control manufactured housing
32 communities.
